BOOKPLATES for THE NEW FELTON LIBRARY

Contribute to the Opening Day Collection!

Felton Library Friends bookplates help to purchase new hardcover books for the Felton Branch Collection. Choose an Adult or Children's bookplate and your name (or the name of someone you wish to honor) will be inscribed and placed on the front endpaper of each book for the 2020 Opening Day Collection.

FIRST PRIORITY FLF BOOKPLATES will be placed into **Local Environmental Science** and **Local History Collections** to be housed at the new Felton Branch. The library collection department staff will delegate selections for these collections with input from Felton library staff. Donors may not choose a specific title for their bookplates.

Opportunities to purchase bookplates for the Felton Branch will be on-going after the library opens. But to be included in the **special Opening Day Collection**, bookplates must be purchased by December 31, 2019.

Once the Felton local collections are filled with bookplates, donors' bookplates will be placed in books in the library system's floating collection, which "float" freely among all branches.

The library collection is always evolving and being refreshed. Please consider purchasing more bookplates in the future to help keep our collection current.

Bookplates may be inscribed "In Honor of" and "In Memory of". They also make wonderful birthday and holiday gifts.

To purchase a bookplate, go to www.feltonlibraryfriends.org or email feltonlibraryfriends@gmail.com for a donation form.

4" square Bookplates:

Top: Children's for \$50, bottom: Adult for \$100
