Suggest a Library Program

SCPL is committed to providing relevant programs and activities for our branch communities. We are particularly interested in supporting community-led programming opportunities. If you would like to suggest or lead relevant programs in your community, please fill out the form.

1. Branch Library: _____

2. Please describe a program or activity you'd like to see happening at this Library.

3. Who would participate in the program or activity?
   Age:
   Interests:
   Special Groups:

4. Please describe why this is important to you. How is this relevant to the community?

5. Please indicate if you are willing to lead the program or connect the library with appropriate experts on the topic.
   ☐ **YES** ☐ **NO**

Please provide contact information so we may further discuss your proposal:

Name: _____ Date: _____

Email: _____ Phone: _____

your world. your library.
